Inaugural Address of Henry Graf, Jr.,
Mayor of the City of Newburyport,
January 2, 1956

Mr. President and Members of the City Council:

Before I begin the expression of those thoughts that I deem appropriate to this moment, would you permit me the privilege of offering my sincere thanks to the citizens of the community for their confidence so expressed by making my return to office possible and to reaffirm to the people of Newburyport my desire to serve them to the best of my ability and in their best interest.

I should like at this time to welcome back you members of the City Council with whom I have worked for the past two years and to greet Councillor O'Connor on his return to service in your Honorable Body. I ask your considered cooperation in the next two years in all matters pertinent to the progress of our City.

Each year, every member of Municipal Government finds his task more complicated and more demanding. Ours is a demanding society which as such, unfortunately, does not follow one channel. There are always several channels which tend to challenge the thinking of Government officers, so I would, therefore, urge that wherever possible we who are entrusted with the Destinies of our city for the ensuing two years endeavor to form our judgements and conclusions without regard to personalities or prejudice, keeping in mind only that our city must develop or die-- in this age of uncertainty and competition. There is no other alternative.

Let us, you as Councillors and I as Mayor, be not dilatory in our thoughts, words and actions in matters where the life of the city is concerned. May I request the same cooperation from your Honorable Body as was evidenced during the past two years. Bear in mind, however, I am not asking for rubber stamp action. Honest disagreement is healthy and tends to the success of sincere effort. Let us enhance the feeling of mutual trust which has in the past brought forth much for the benefit of the city and the people.

I regret that each member of the Council cannot spend each day involved in the routing daily business of municipal government, and in particular the Mayor's Office. But, believe me, we are running a huge business-- and in comparison-- our present working staff is at a low minimum. We must not attempt to be lavish in our staff or our administration expenditures, but we must provide adequate personnel to comply with the demands of the office or department.

I trust that we shall continue to take a positive stand on the many issues that will arise, resolving these problems without resort to political expediency-- but rather resolve them for the benefit of all.

We can look with pride on our accomplishments of the past two years. Admittedly, we have not progressed as quickly as desired, but we have been beset by many difficulties, some of human making and others caused by the unpredictable forces of nature. In the over all, we have been most successful; we are well on the road to bringing our new school at the North End and our Gym at the Brown School into being. We must strive to see that our young people are given the best possible facility within our means. Delays inherent in such a project have already raised their ugly head-- they are seemingly inevitable-- they occur everywhere. But we must cope with them and attempt to give to the city the best we can humanly expect to give, within our means. We must not fail.

May I interject at this point that private educational facilities are being improved as is evident by the construction of the parochial school and I offer my sincere congratulations to Father Corbett for his untiring efforts that will be ultimately, a source of pride to his parish and of considerable benefit to our city as a whole.

Our parking situation has been greatly improved in respect to the problem in the Kent Street parking area, and at present indications all costs to the city will be reimbursed in approximately three years. By this parking construction, we have satisfied the people of the area and indicated our cooperation to industry and ultimately to our people who work at CBS-Hytron. I trust this project indicates to industry that the Mayor and the City Council are most receptive to the needs of Industry as we hope that industry is cognizant of the needs of our city.

It is my sincere hope, and I feel that it is the sincere hope of every member of the City Council, that in the very near future we will be able to alleviate the parking situation in our business district. We must bear in mind that adequate parking space in the business area reflects itself in the overall income of the people whose living is dependent on the operation of our stores and mercantile establishments.

As the requirement of income is essential for the comfort and well being of our citizens, so too must the city have income to provide for the further benefits of the people. While election statements were made to the contrary, I want you to know the financial position of the city is sound. Despite this happy situation, it must be emphasized--and strongly emphasized--that the basic cost of government, consisting of services, labor and material, is ever rising.

As with private industry, so too with Government, cost increases are the trend and the comparative rate of increase corresponds. We can be prudent in our expenditures but in order to provide something over the basic needs and requirements we must be understandingly prepared to spend larger amounts of money as each successive year passes. It is disagreeable to think that this is the situation but it is more disagreeable to do. We must face the fact that it is the trend of the times.

Since the principal source of revenue for this city is real estate, personal and excise taxes, it must necessarily follow to meet the minimum of the demands placed upon us tax rates will increase. There is some satisfaction to be gained in that revaluation and equitable distribution of property tax assessment will in some measure relieve the citizen of the present unfair tax assessment and permit all a fair participation in government cost.

It is needless for me to call attention to the fact that you as Councillors and I as Mayor have very little direct control of municipal expenditures. Rather than being handled by "Home Rule" many moneys must be spent to meet legal requirements that have been made law by our Legislature at the State House. The legislature has placed school departments largely beyond our control, by accepting Acts, such as pay for holidays, salaries of certain municipal employees, increase of pensions, all committed to the city responsibility-- expenditures must be made. Hence, we can no longer control the purse strings in such matters.

We must come to the point where we accept these requirements and refrain from comment regarding higher cost, or we must in the future consider well what burdens we impose on the taxpayer when acceptance is made of any such act born on Beacon Hill.

Taxes are for spending and spending for honor and good actions. Therefore, extraordinary expense must be limited by the worth of the occasion.

I think we can feel our past expenditures have been for honor and have resulted in good actions-- such as the new addition to our sewer system, satisfying the demands of people in the North Atkinson Street area and further by making more attractive the land in the Low Street section.

Our equipment in the several departments has been maintained at a high degree of efficiency or replaced by units giving greater and more sure service to our community. Such good action should be continued and a definite program of repair, maintenance and replacement placed in effect.

The City will soon face the need for extraordinary expenditure or face the disaster of accumulative neglect in our Water Department. Pumping equipment has become inadequate for today's demands, miles of time-worn pipe are precariously serving our water users, are relied upon for fire protection, and these same mains of the last century are forced to carry water to newly developed areas.

I believe the present condition of the Water Department was caused by the fact that there were three kinds of people serving the community, namely, the Wills, the Won'ts and the Can'ts. The first accomplish everything--and of these we had very few, the second are opposed to everything, and the third fail in everything. Of the latter two, Newburyport has had, in the past, too many.

I consider at this point, spurred on by the present situation, if we would not be wise to bring into being a Department of Public Works, staffed by competent engineers and personnel. Such a Department would encompass the Highway, Park and Water Departments. Before taking such a step, we must of course carefully analyze, project the value into the future, we must ask "Would such a Department tend toward Honorable spending with resultant good action?"

Today, I do not have specific recommendations. Later, I hope we can better predict. I am well aware that an extraordinary expenditure will be required soon or will be brought upon us suddenly by failure of pipe or machinery. How will the situation be resolved? Increase of water rates helps out a little--yet, by and large our individual water costs do not compare with charges made in other communities. And much as we regret his unfortunate accident, we are forced to point out that costs because of injury to Mr. Cote could have accomplished much in the Rehabilitation of the watersystem.

As to the future of our City industrially. Employment gives health, sobriety and morals. Constant employment and fair-paid labor produce in a city like ours general prosperity, contentment, and cheerfulness. In our endeavor to expand our sources of employment, we must of necessity expand our number of industries. We, for that purpose, established an Industrial Development Commission just one year ago. Its work since its inception has not been spectacular but it has been steady in progress. The efforts of this Commission have brought forth the intentions of one industry ready to come to Newburyport. Private purchase of land has been made possible by the investing of private money, and plans have been developed for

an Industrial Park that will house ten small industries.

This infant commission has worked hard and spent little money to attain a firm foundation for expanding industry. Private money must be attracted and private investors encouraged to invest speculatively in the construction of commercial buildings. It is the commission's opinion that by providing the building the easier part of the project will be the bringing of industry into the park.

As now constituted, the commission, composed of diligent men, is coming into maturity, and to compete successfully with rival communities must employ a full time serious and energetic director, I believe this to be a considered act and well within the needs of the commission. These plans of the Development Commission must be activated. This is a fact we must deal with in the immediate future, and I request that much thought be given to the subject by your Honorable body.

To add emphasis to the need for additional industry, may I quote the following:

If you have great talents, industry will improve them; if moderate abilities, industry will supply their deficiencies. Nothing is denied to well directed labor; nothing is ever to be attained without it.

There are many subjects that could be incorporated into this talk to you and our citizens. Time, however, does not permit. Hence, it would be wise to acknowledge its limitations.

This municipality is a community of people, following the instincts of nature's pattern, banded together for common good, and as I wish to everyone a Happy and Prosperous New Year, it is my hope that by discharging our duty thoroughly and well, subordinating personal desires to principle and personal ambition to the duties of office, we will receive not only the endorsement of the people but, what is far better, we will deserve that endorsement.

Taxation on Polls and Property			\$1,200,973.72

ASSESSORS

-2-

Number of Polls	4416 at \$2.00		\$8,832.00
Valuation			
Personal Property			
	\$2,239,850.00 at \$44.00		98,553.40
Real Estate			
	\$24,854,280.00 at \$44.00	<u>1,093.588.32</u>	\$1,200,973.72

The total amount of tax committed to the Collector of Taxes for collection was \$1,200,973.72.

The gain in valuation for the year 1956 is as follows:

	1956	1955	Gain
Real Estate	\$24,854,280.00	\$13,217,770.00	\$11,636,510.00
Personal	2,239,850.00	1,948,050.00	291,800.00
	<u>\$27,094,130.00</u>	<u>\$15,165,820.00</u>	<u>\$11,928,310.00</u>

Showing an increase in valuation of \$11,928,310.00. This increase was due to a scientific appraisals of all Real Estate; and all properties of Public Utility companies. (Real and Personal) This revaluation was done by the J. M. Clemenshaw Co. of Cleveland, Ohio, Professional Appraisers.

The Board made nine commitments of Motor Vehicle Excise Taxes during the year 1956 as follows:

Date of Commitment	Cars	Valuation	Tax
#1 May 26	1960	\$931,620.00	\$48,055.46
#2 Aug. 15	889	481,940.00	20,828.18
#3 Sept. 11	841	362,630.00	17,142.17
#4 Nov. 26	578	331,380.00	13,696.23
#5 Dec. 13	378	139,440.00	6,093.47
#6 Dec. 20	353	163,710.00	6,691.31
#7 Jan. 20, 1957			
Comm. Dec. 31, 1956	441	230,210.00	7,379.84
#8 Feb. 9, 1957			
Comm. Dec. 31, 1956	558	300,790.00	7,317.78
#9 Feb. 20, 1957			
Comm. Dec. 31, 1956	22	30,500.00	503.18
Totals	<u>5920</u>	<u>\$2,972,220.00</u>	<u>\$127,707.62</u>

The amount of abatements granted on Motor Vehicle Excise Tax during the year 1956 were as follows:

Levy of 1954	\$97.24
Levy of 1955	1,517.60
Levy of 1956	<u>5,106.10</u>
	<u>\$6,720.94</u>

The amount of abatements granted on Polls, Personal Property and Real Estate during the year 1956 were as follows:

Levy of 1954	\$684.60
Levy of 1955	1,363.68
Levy of 1956	<u>23,967.78</u>
	<u>\$26,016.06</u>

The largest percentage of abatements granted during the year 1956 were due to Statutory Exemptions by State Legislative Acts since 1942 and amendments thereto, permitting an increase in the number of persons qualifying.

ASSESSORS

-3-

We recommend that provisions for preservation of the records of the Board of Assessors, now stored in an old vault, be moved to the armament room in the basement, (until recently, used by the National Guard).

Provisions should be made to bring our maps and plans up to date.

Respectfully submitted,

John J. Wiseman
Leo A. Garbano
William H. Smith

Board of Assessors

LAW DEPARTMENT
February 8, 1957

From James P. Reardon
To: His Honor the Mayor and the City Council:

City Solicitor's Report For The Year 1956

Dear Sirs:

In compliance with Section 4, Chapter 14 of the revised ordinances of the City of Newburyport, I am submitting herewith my report as City Solicitor for the year 1956.

During the year 1956 there were several actions brought against the City of Newburyport and actions brought by the City of Newburyport. Among those actions is a case involving the Police Cruiser for the City of Newburyport. In this case, William DeLong, et al is suing Patrolmen Joseph Gallagher and Peter Genna for property damage and personal injuries as a result of an accident occurring in Salisbury, Massachusetts during the year 1955. This action involves the sum of Ten Thousand (\$10,000.00) Dollars, Ad Damnum.

Also there is an action of Nicholas Costa Vs. Lieutenant John F. Cutter, Jr., of the Newburyport Fire Department, and also a companion case of the City of Newburyport Vs. Nicholas Costa. These actions result from collision of a car owned by Nicholas Costa and the Fire Department Ambulance on the Newburyport Turnpike. The Ad Damnum in this writ is Five Thousand (\$5,000.00) Dollars. The City of Newburyport's action against Mr. Costa is in the sum of Two Thousand (\$2,000.00) Dollars.

There is also pending a case of the City of Newburyport Vs. William Leaman. This is an action of Contract in which the City is suing the defendant for money owed on the Clam Account.

The following land damage cases are all pending against the City as a result of land taking for the construction of the North End Elementary School.

Bradford C. Dennis, et ux.
Leopold J. Rocco, et ux.
James L. Hartnett

Mary Rocco
Marion Cooper
Anthony V. Taurasi

The following cases have been settled by the City of Newburyport as a result of land taking at this site.

Helen Louise Kloeber, Earl Simon, et ux. William Pappavasiliou

The following land damage cases are pending against the County of Essex and/or the City of Newburyport as a result of land taking on Low Street for widening and reconstruction of road on Low Street.

Simon Zani, John F. Leary, Leonard Woodman Elizabeth Woodman.

The following case is pending against the City of Newburyport as a result of land taking for the Inn Street, Bartlett Street, Off Street Parking Lot.

Nicholas Dedes

The right of action in which Rt. Rev. Hugh L. Doyle, Et. Ali and William F. O'Brien, et ux., had against the City resulting from the establishment of this Off Street Parking Lot have been settled.

Considerable work has been done by the City Solicitor in relation to the aforementioned land takings. This work involved not only conferences and work in my office but also numerous hours spent visiting and talking with people whose land was being affected by the land taking.

In addition to the aforementioned cases there are other cases concerning tax abatements and Workmen's Compensation which the City Solicitor was required to handle for the City.

During the year 1956 I gave numerous opinions to the City Council, School Committee and the various department heads.

Respectfully submitted,

James P. Reardon
City Solicitor

LICENSE BOARD

BOARD OF PUBLIC WELFARE

March 14, 1957

REPORT OF BOARD OF PUBLIC WELFARE

To His Honor The Mayor
&
Members Of The City Council

This report of the Board of Public Welfare for the year 1956 shows an overall increase in gross costs over 1955.

In the Federal - State Programs increases in budgets were mandatory to comply with Legislative action. The increased cost in Old Age Assistance was a direct result of this legislation since our caseload dropped from 421 cases in January, 1955 to the current caseload of 403. Each case representing an average cost of approximately \$80 a month.

A.D.C. costs decreased \$1,500.00 for the year while D.A. shows increased costs because of a larger caseload and heavy hospital costs in some cases. General Relief shows a substantial reduction in costs compared to 1955 of approximately \$16,000.00.

Services of physicians, cost of medicine, hospitalization and nursing home care is in excess of one fourth of our total disbursement.

Respectfully submitted,

Donald R. Eck

Frank F. Merrill

Edward F. Murphy

Report of the Librarian

To the Board of Directors of the Newburyport Public Library:

During the year 1956, our 101st and long to be remembered as the year of the blizzards, the library was opened 302 days with a total of 89,035 books circulated for home use. There is a decrease of 3,311 from the total book circulation of 92,346 in 1955. The loss in adult book circulation was 2,241 while that in juvenile circulation was 1,070. A month by month comparison of circulation for 1956 and 1955 reveals that the year was evenly divided with six months of circulation gains and six of circulation losses. The fact that the losses occurred in winter

months when snow, ice and the ensuing parking problems presented distinct hazards to frequent visits to the library appears to be the logical explanation for this circulation decrease.

The following table is included for purposes of comparison:

	<u>1955</u>	<u>1956</u>	
<u>Main Library</u>			
Adult	57,395	55,727	1,668 loss
Juvenile	<u>16,120</u>	<u>15,118</u>	<u>1,002 loss</u>
Total	73,515	70,845	2,670 loss
<u>Andrews Branch</u>			
Adult	7,357	6,846	511 loss
Juvenile	<u>5,036</u>	<u>4,965</u>	<u>71 loss</u>
Total	12,393	11,811	582 loss
<u>Belleville Branch</u> (Closed July & August)			
Adult	2,507	2,445	62 loss
Juvenile	<u>3,931</u>	<u>3,934</u>	<u>3 gain</u>
Total	6,438	6,379	59 loss

Adult non-fiction circulated in 1956 was 36% of the total adult book circulation compared to 37% in the previous year. The percentage of juvenile non-fiction circulated rose to 29% of the total as compared to 27% in 1955.

The total number of registered cardholders increased from 11,437 to 11,753 - a gain of 316 in 1956 despite the withdrawal of 1226 expired numbers. The gain was 134 in the number of adult cardholders, 182 in juvenile. Newbury cardholders, included in the total registration figures, numbered 472 in 1956 compared to 420 in the previous year.

The book stock of the library was increased from 95,066 volumes at the end of 1955 to 96,763 at the end of 1956 - a net gain of 1,697 volumes despite the withdrawal of 294 volumes. Of the 1991 books added, 1206 were purchased from the income of trust funds, 557 from appropriated funds, and the remainder received as gifts.

The Children's Room of the Main Library and of the two branches were much used in 1956. Although the circulation of juvenile books decreased, there seems to have been no lessening in the number of reference books consulted in the library for school assignments. Of the non-fiction books borrowed by children biography, science, and social science and history, led all other classes in popularity.

Instruction in the use of the library catalogue and basic reference books was given by Miss Clancy, in the fall, to all fifth grade classes in the public schools. Six classes, accompanied by their teachers, came to the Library for this instruction. In addition, library instruction was given to the seventh and eighth grades of St. Aloysius school.

Teachers borrowed twenty school deposits (collections of juvenile books numbering up to thirty or more) for use in their classrooms.

The 1956 vacation Reading Club provided reading enjoyment for the 173 children who signed up as members of the "Catch a Fish" junior Isaak Waltons. Fifty-six children finished the required reading and enjoyed the party in their honor in September. In addition, 26 children received the State Reading Certificate after completing the required reading.

Book Week, November 26-December 1, was observed in the Children's Room with story hours and displays of new books - all emphasizing the general theme of "It's always book time." During the week, Miss Clancy visited each of the 7th grade classes in public and parochial schools to review some of the new books for the children.

Story hours, held by Miss Clancy at the Main Library and Mrs. Brennan at the Andrews Branch, were popular throughout the school months. The Christmas story hour in 1956 was enhanced by the singing of Christmas carols by a small group of Girl Scouts. A larger group of Girl Scouts, from all the troops in the city, sang carols outside the library just before the story hour began.

As in the past, we are indebted to the Friends of the Newburyport Library, for a special gift of \$150 to the Ethel Parton Fund. This gift, plus the income from the fund, purchased 78 books for children in 1956. Five nature books for children were purchased from the interest of the Newburyport Garden Club's Elizabeth Lisperard Johnson Phister Lane Memorial Fund. This brings the total number of books bearing the "Bessie Books" bookplate up to 73.

The badly crowded catalogue case in the Children's Room was replaced with a new, and larger, one. Both children and librarians enjoy using this new piece of equipment.

As in previous years numerous demands were made on the resources of the library's reference collection. High School students, in step with the times, seemed to favor scientific subjects for their term papers, and a great variety of books pamphlets, and magazines were consulted on such topics as atomic power, automation, underwater exploration, miracle drugs and various diseases. Requests for material for club papers were many and varied - ranging from archaeology, to the Wolfe Tavern, to American costume, to Edna St. Vincent Millay. Requests for genealogical information came from various parts of the country, and even as far afield as England. Both Edward Rowe Snow, in connection with "The Vengeance of the Sea" and Alpheus Mason, in connection with the biography "Harlan Stone" consulted this library.

During 1956 the State Library Extension Division lent us a total of 254 books of which 171 were books in Polish, Italian, German, Greek and French. The remaining books were individual requests for titles on subjects such as explosives, silicons, vocational guidance, and Hypnotism (shades of Bridey Murphy!). Eight books were sent on inter-library loan to the University of Vermont, to the Fort Devens Public Information office and to an individual in the cast of the "Silk Stocking Company" then playing in a San Francisco theatre. The latter book had been recommended to him by Roland Hayes as obtainable here. He wished to use one of the songs in his forthcoming Juilliard School audition. The books sent to Fort Devens, all titles by Adolphus W. Greely, were used there as part of an exhibit commemorating Greely's birthday March 27, a date which coincided with the departure of a weather group for Europe.

The list of donors attached at the end of this report reveals that many individuals, publishers, and organizations have presented books or magazines to the library in 1956. Especially noteworthy among the gifts of large numbers of books were those received from the heirs of Miss Margaret W. Cushing, from the Estate of Miss Grace C. Moody, and from Mrs. George O. Clark, upon the occasion of the family's removal to California. Mrs. George A. Bushee presented the library with three handsome volumes containing the architect's drawings and photographs showing each step, in detail, of the restoration of the Dole-Little House in Newbury. Dr. William Safford's collection of classical music, numbering over 1300 volumes, plus additional pieces of sheet music was presented to the library by a group of anonymous donors who purchased the collections for the library. Although the names of the contributors are not known, the gift was

made possible through the devoted labors of Mr. John M. Jepson. The music is for the most part for the piano, and for two, four or eight hands and for one or two pianos.

The Friends of the Library held its annual meeting in the Reading Room on May 31, 1956. Rabbi Yellin gave a most enlightening talk on the "Dead Sea Scrolls -an Ancient Library and a Modern Controversy" - a subject which has been of great interest to many people as a result of the widely publicized recent archaeological discoveries and studies.

In March, a group of approximately fifteen students and two teachers all from Punchard High School (Andover) visited the public library after visiting Newburyport High School. They enjoyed a tour of the library, and found the Directors' Room of special interest.

No major repairs were made at the Library this past year. A few additional book cases were built to shelve some of the overflow of books, but this is only a stop-gap measure for an increasingly accute shelving and storage problem. At the Emma Andrews branch library, the new chain link fence installed at the back and sides of the grounds vastly improved the appearance of the property.

This condensed summary of the library year in review can, of necessity, be only a sampling of the year's activities. The Librarian is grateful to each Director, to each staff member, and to Mr. John Szymura, custodian, for each individual's contribution to our mutual aim of providing good library service for Newburyport.

Respectfully submitted,

Katherine M. Kuechle
Librarian

CONSTRUCTION & MAINTENANCE

NEW SERVICES:

Forty-Six (46) New Services were installed requiring:

2306' 8" of 3/4" Copper Pipe
37' 4" of 1 1/2" Iron Lead Pipe
48' of 1" Copper Pipe
88' of 1/2" Cast Iron Pipe

Twelve (12) Renewed Services requiring:

197' 5" of 3/4" Copper Pipe

Four (4) Services were repaired requiring:

23' 11" of 3/4" Copper Pipe
14' 6" of 1" Copper Pipe

Twenty-Three (23) Leaks Inside were repaired.

Nine (9) Service Leaks were repaired.

METERS:

Twenty (20) New Meters were installed.

Twenty-Five (25) Meters were removed; Nine (9) Meters were replaced;
Eight (8) Meters were changed; Sixteen (16) were put back.

HYDRANTS:

One Hydrant was Replaced on Beck Street; Two Hydrants were Broken and Replaced on Water Street; One Hydrant was removed on Liberty Street;
One Hydrant was repaired on Toppan's Lane and One on Inn Street.
One Hydrant was installed on Hanover Street, Newburyfor Elementary School

All hydrants were flushed and checked.

MAINS:

New:

Low Street	561' 6"	of 8 inch pipe			
Bowlen Avenue	224' 7"	of 6 inch pipe			
Menut Circle	80' 3"	of 6 inch pipe			
Reilly Avenue	80' 3"	of 6 inch pipe			
Menut Circle	192' 6"	of 2 inch pipe			
Totals			561' 6"	8 in. Pipe	6" Pipe 2" Pipe
					458' 10" 192' 6"

Repaired:

Washington Street (near Strong) 6' of 6" pipe and 2 Dresser Couplings
Artichoke Main 12" pipe
Ashland Street 6" pipe 2 Dresser Couplings and 6' of 6" pipe
Storey Avenue 12" pipe (under Bridge)
Artichoke Main 12" pipe
Storey Avenue 12" pipe

Repaired Nineteen (19) Broken Service Boxes:

Raised Gate Boxes on Low Street; Myrtle Avenue and on Storey Avenue.

MISCELLANEOUS:

- A. Read all Meters - Monthly and Quarterly
- B. Checked Valves outside of Hospital
- C. Cut in 8" Valve on Low Street
- D. Packed Stuffing Box on 6" Valve on Ashland Street
- E. Laid 126' 6" Pipe for Sprinkler at First National Store, Pond Street
- F. Made 1" Tap off Hanover Street, Newbury
- G. Changed 6 services over to 8" pipe on Low Street
- H. Cut out old Main on Low at North Atkinson Street
- I. Made 6" Tap - used 12 x 6 Tapping Sleeve and Valve
- J. Put in 6" Tee and 6" Valve for Hydrant to be installed on Menut Circle
- K. Made 2- 1" Taps on Summit Place
- L. Repaired Broken Fountains at Cashman Park and Perkins Playground
- M. Repaired 3 Joints on 18" Pipe at Main Station
- N. Dug Out 3 Service Boxes
- O. Made 6" Tap at Brown School Gym and 8" Tap at New School, Myrtle Ave.
- P. Put in 3 - 18" Bell Joint Clamps at Main Station
- Q. Cut in new Stop and Waste at Yacht Club
- R. Took care of Frog Pond in Spring and Winter
- S. Cut in new 1" Valve at Spring Lane Station
- T. Made Tap on Green Street, Newbury with 1½" Valve, 1 Tee, 2-1" Corp, 1 Service Box

An Ordinance Establishing the Office of Superintendent of the Clam Chlorinating Plant

Section 1. Once every three years in the month of April, the Mayor, shall appoint subject to confirmation by the City Council, a Superintendent of the Clam Chlorinating Plant. The Superintendent of the Clam Chlorinating Plant shall, subject to the direction of the Mayor, have general charge of the Clam Chlorinating Plant. He shall superintend the chlorination of all clams and have charge of the collection of all fees for the chlorination of clams. Said fees shall be turned over to the City Treasurer each week. The Superintendent shall not allow over one week's credit to any clammer for the chlorination of clams.

Section 2. The Superintendent of the Clam Chlorination Plant shall receive such remuneration for his services as the Mayor and City Council may from time to time determine.

Councillor Theodore P. Stanwood, Jr.

In City Council, May 7, 1956. First reading. Adopted by roll call, 10 "yes" 1 "absent". Ordered published.

In City Council, June 4, 1956. An Ordinance establishing the office of Supt. of Clam Chlorinating Plant, be amended by striking out the following part of Section 1, -- fees shall be turned over to the City Treasurer every week. The Superintendent shall not allow over one week credit to any clammer for the chlorination of clams. Be amended to read as follows: Part of Section 1, Said fees shall be turned over to the City Treasurer each month. The Superintendent shall not allow over one month credit to any clammer for the chlorination of clams.

Councillor Cornelius Foley.

Amendment passed on roll call, 10 "yes," 1 "no." Final reading Adopted, by roll call, as amended, 10 "yes," 1 "no," Ordered published.

Approved: Henry Graf, Jr., Mayor

Attest: VERA M. KELLY, City Clerk
